

# TechVision – Diagrama BPMN

**Caio José Soares da Luz – 247620**

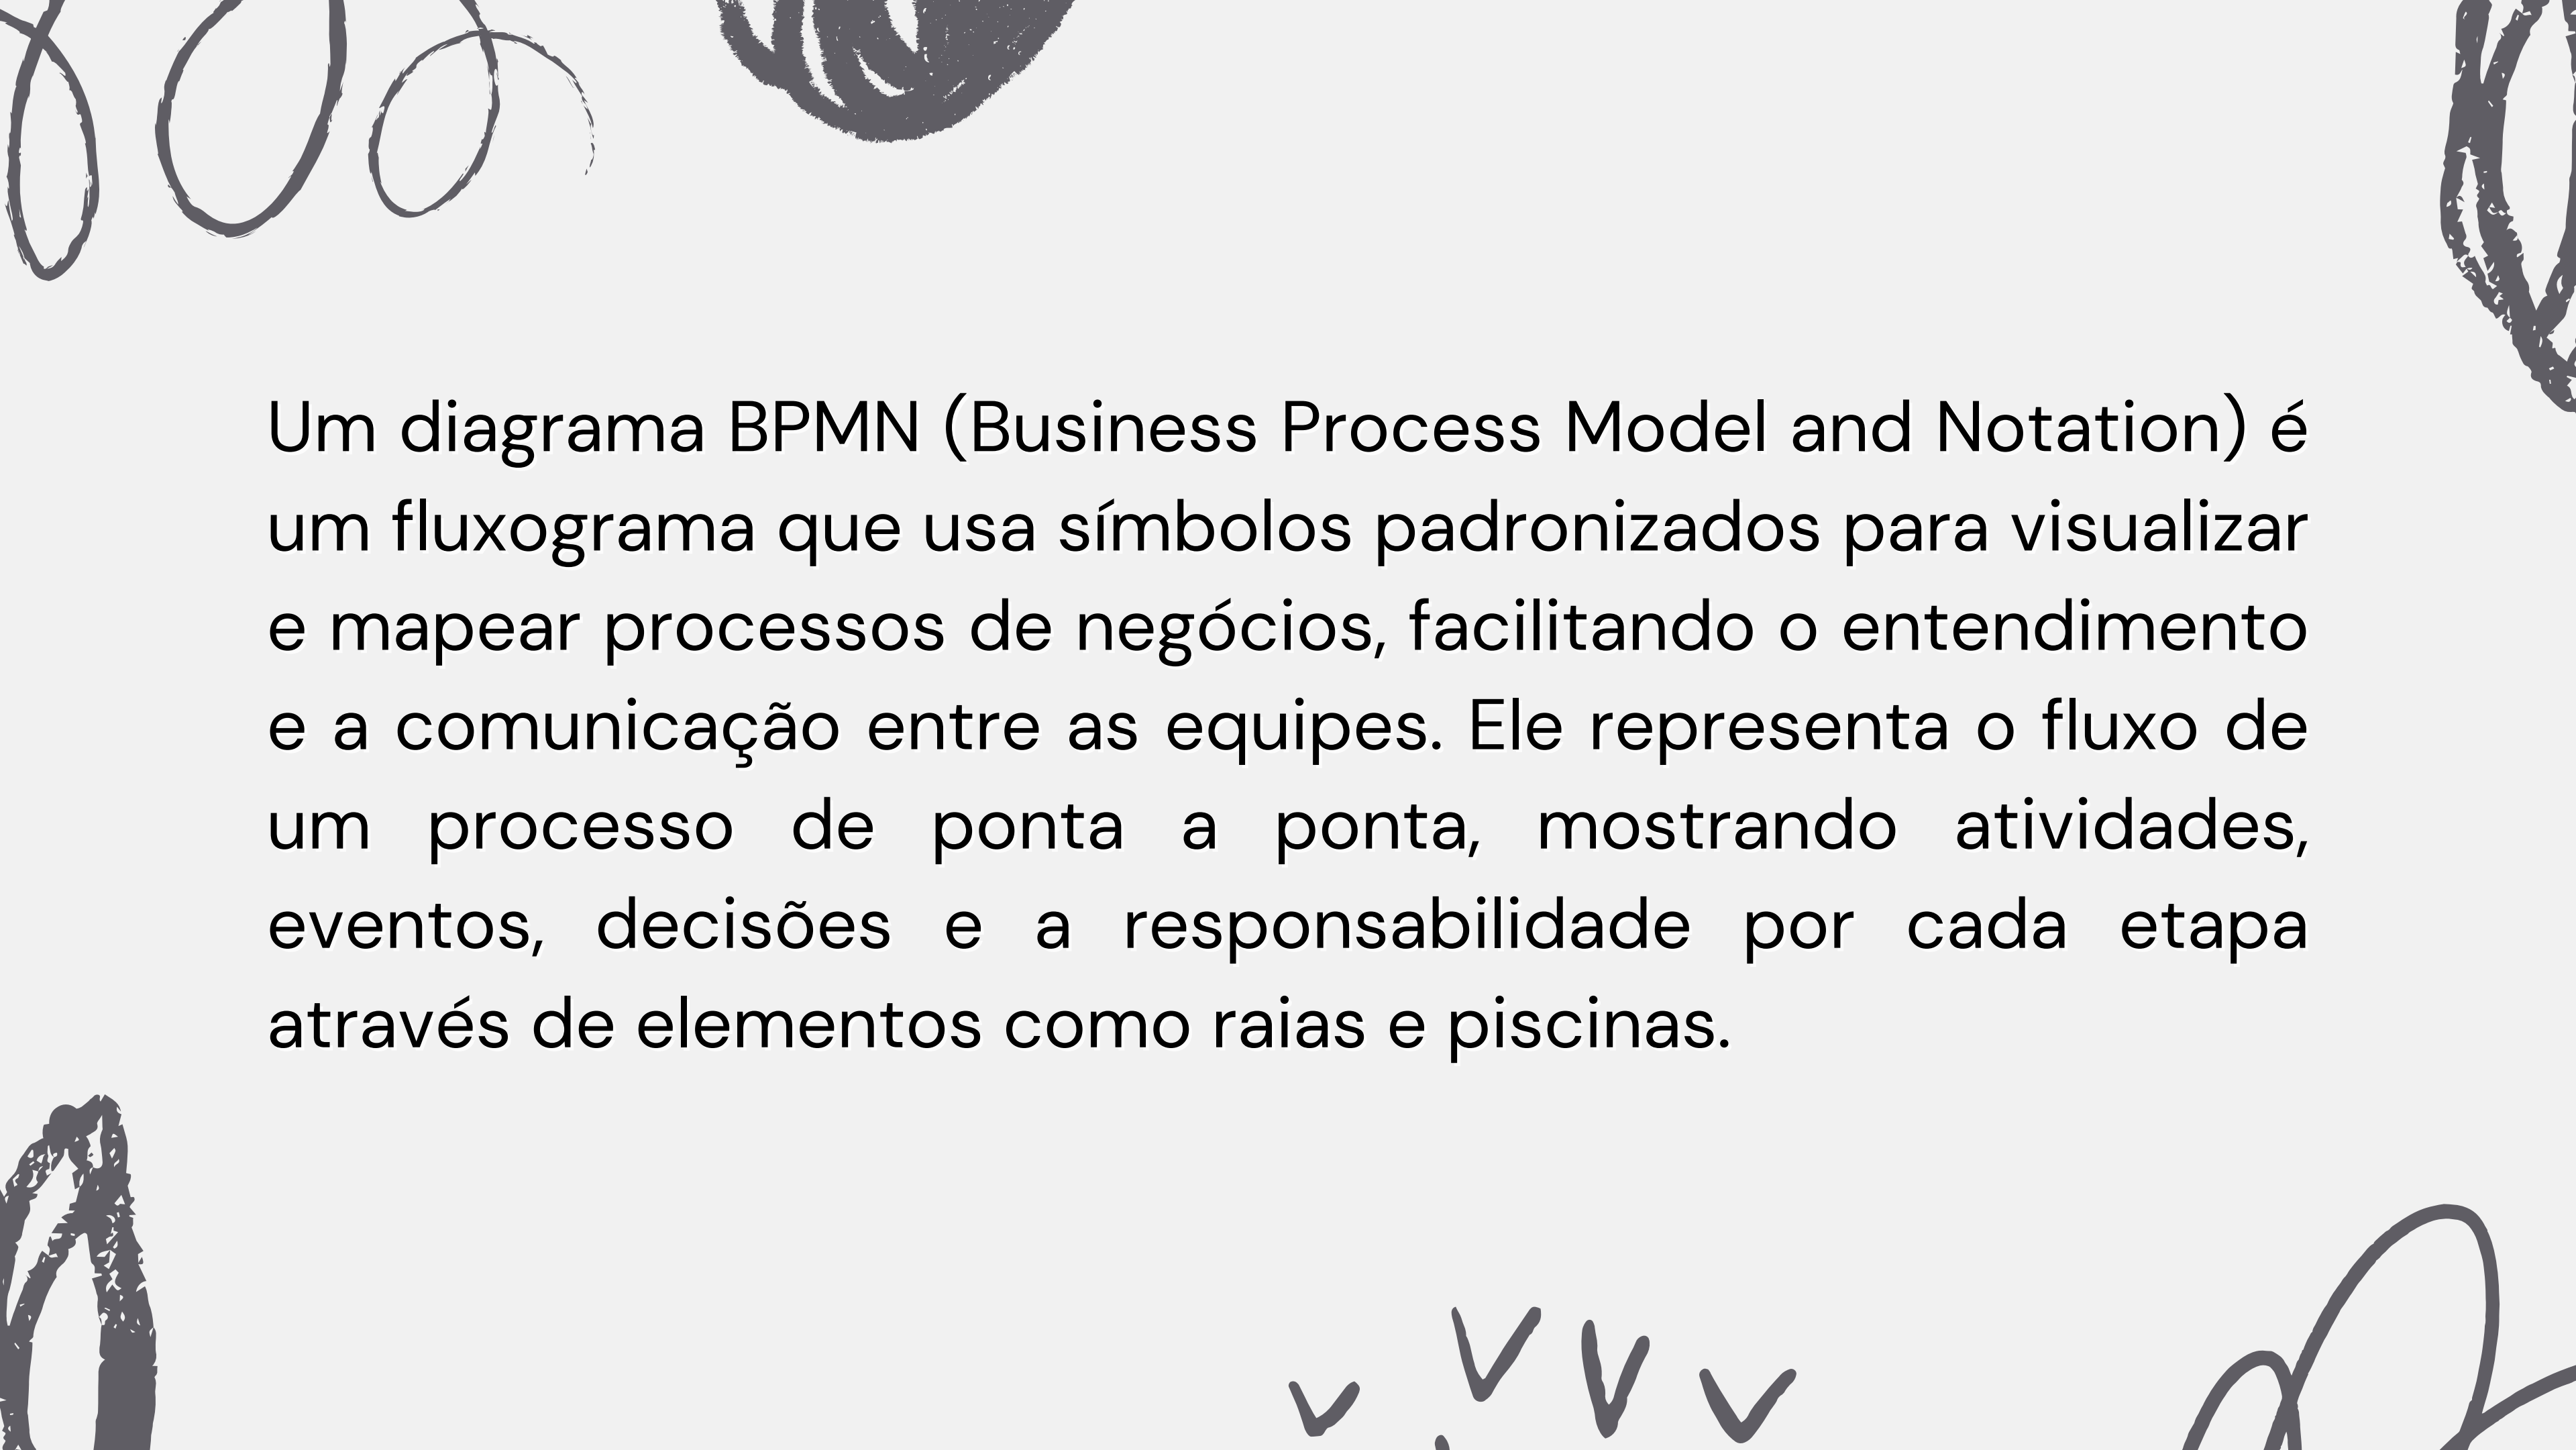

**Mateus Franco Bezerra – 249294**

**Augusto Luis Armelim Dalsoglio – 248166**

**Gabriel Alberto de Oliveira – 248309**

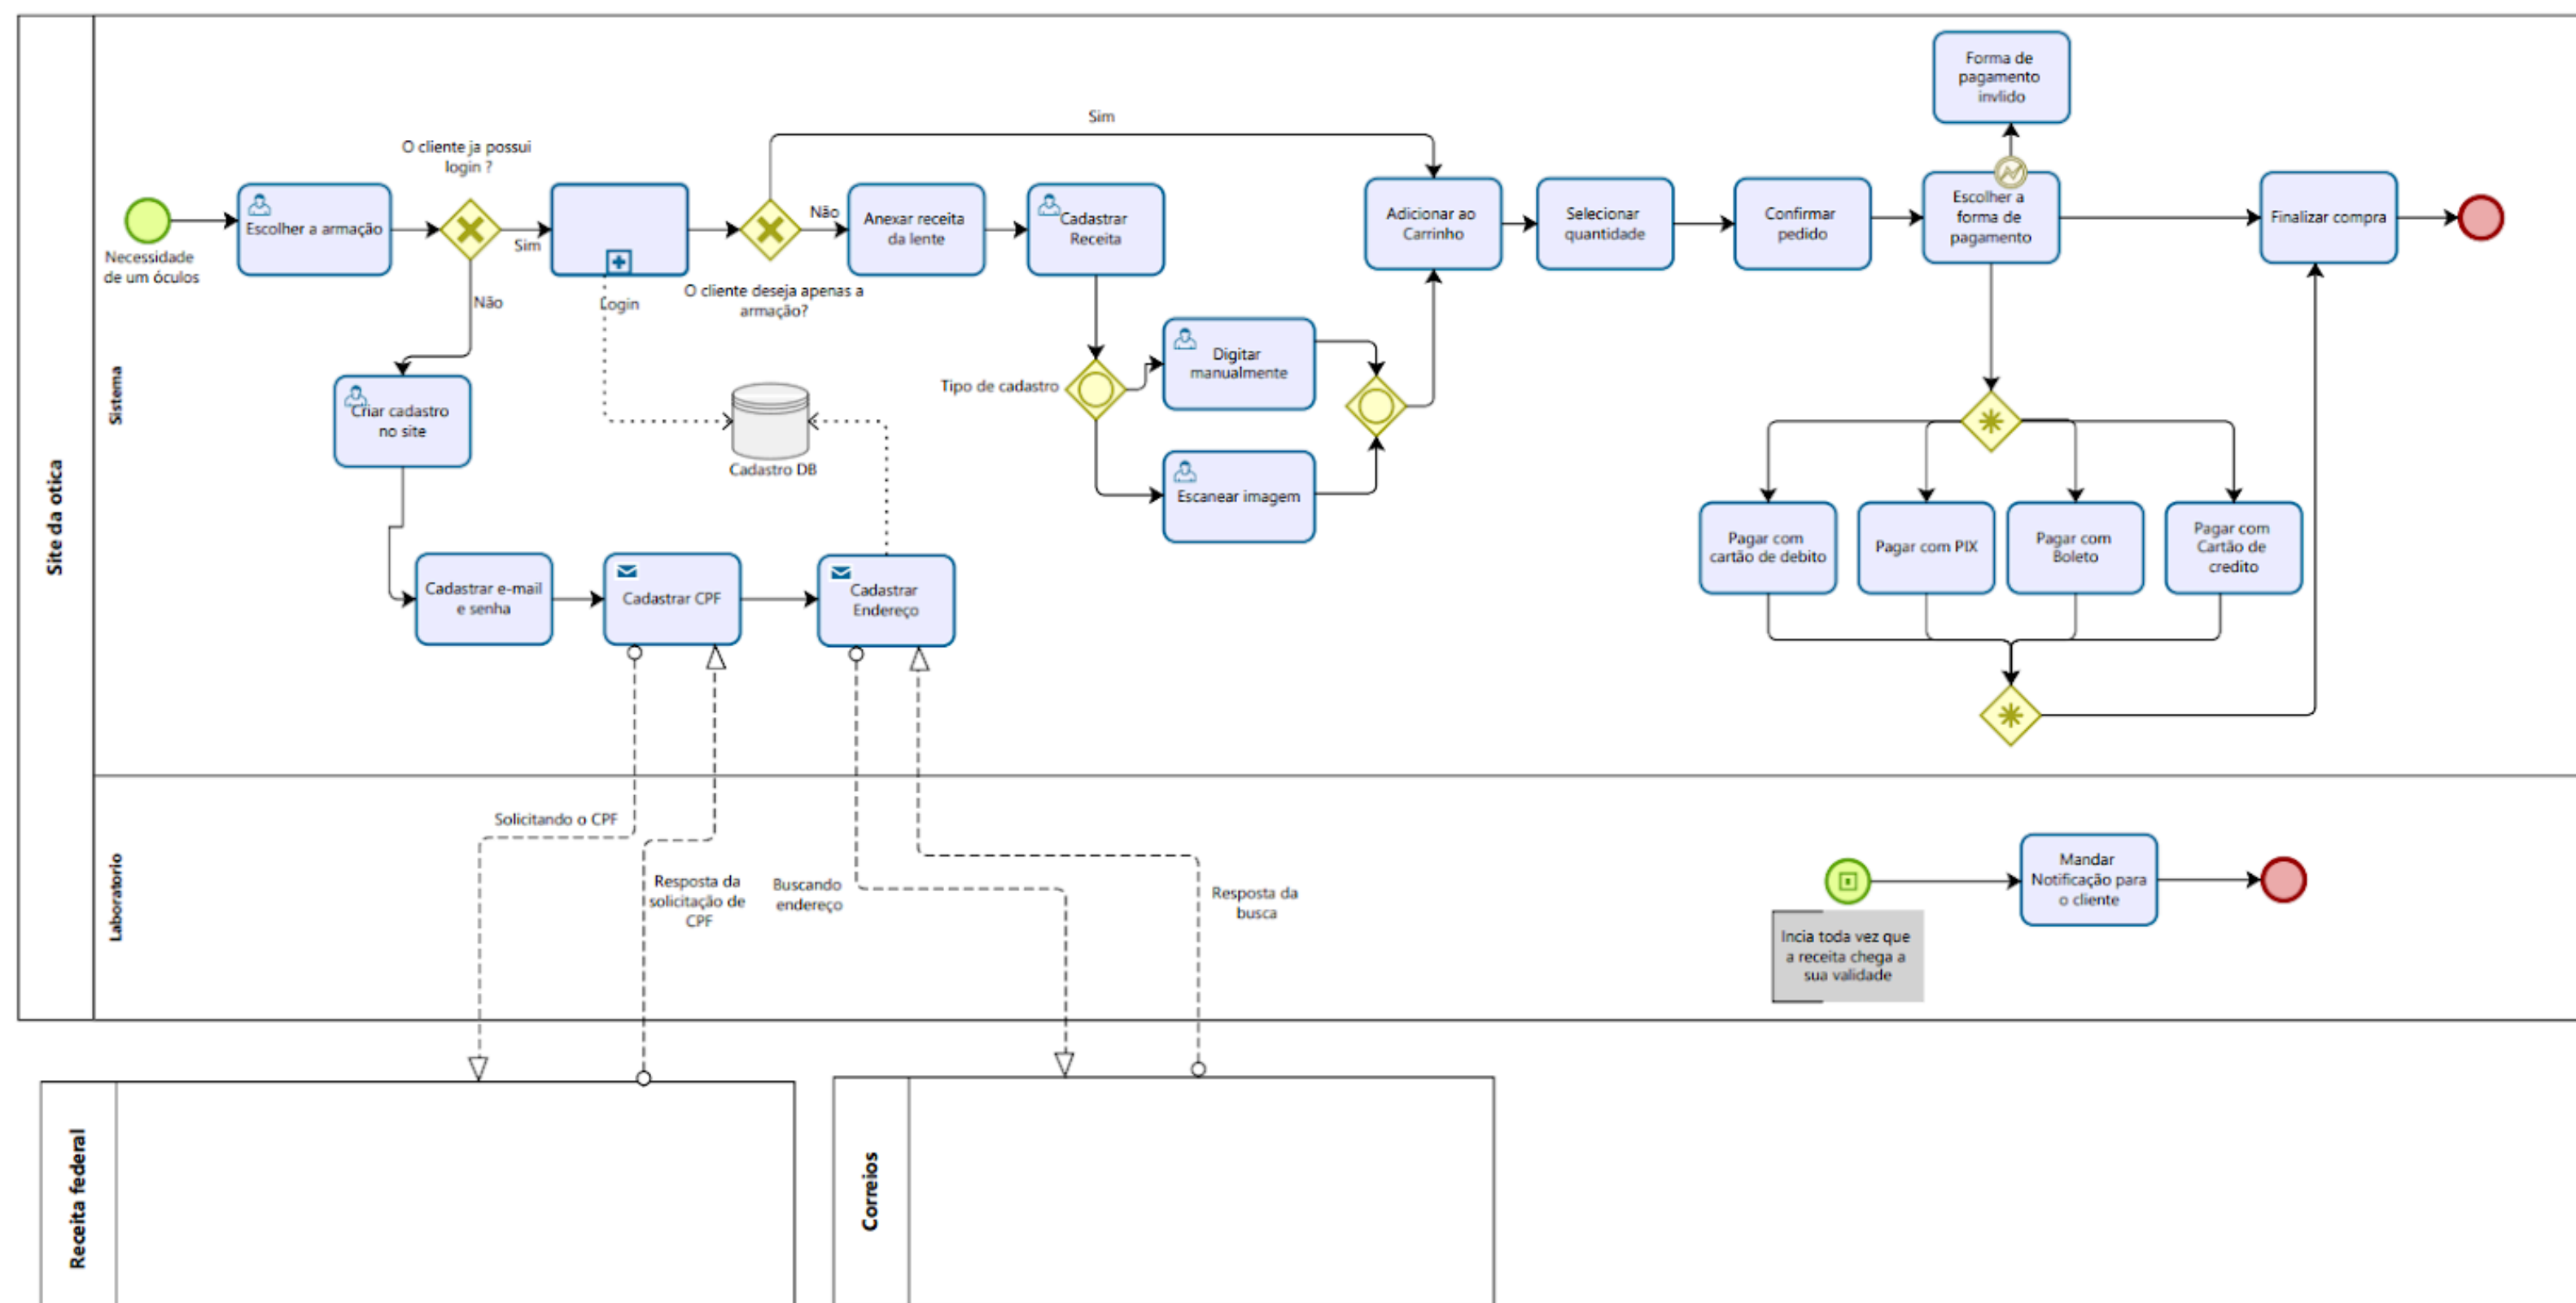

**Wellington Henrique De Camargo – 249277**

**João Paulo Ribeiro Brisola Pereira – 248977**

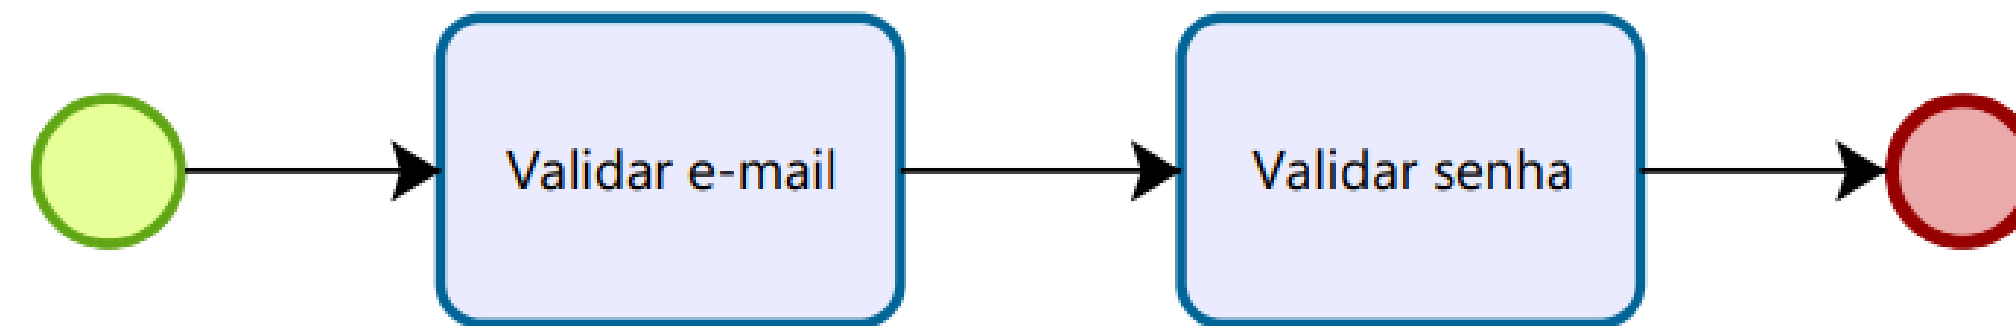

Um diagrama BPMN (Business Process Model and Notation) é um fluxograma que usa símbolos padronizados para visualizar e mapear processos de negócios, facilitando o entendimento e a comunicação entre as equipes. Ele representa o fluxo de um processo de ponta a ponta, mostrando atividades, eventos, decisões e a responsabilidade por cada etapa através de elementos como raias e piscinas.

The background is a light gray color with various hand-drawn doodles in a dark gray, sketchy style. These include several overlapping circles and ovals at the top, a series of concentric arcs at the bottom left, a wavy line at the bottom center, and several small 'v' shapes at the bottom right. There are also some abstract, scribbled shapes on the right side.
